Cawsom fore diddorol iawn yn ei chwmni.

The school is planning to hold a School Eisteddfod for the first time on March 20th this year. The children will be responsible for planning and organising it. We were very fortunate that Esyllt Nest Roberts, originally from Ffor but now living in Patagonia, agreed to come in to discuss the differences and similarities between an Eisteddfod in Patagonia and in Wales. We had a very interesting morning in her company.
